Black to Basics

Embrace the timeless versatility of matte black across the suites, amenity, and commercial areas of your multi-family projects and other interiors where high performance is desired.

From hinge to lever — outfit your space with sleek and contemporary coordinated matte black finishing touches that make a bold statement.

HIGH-PERFORMANCE FULL SOLUTION

Taymor commercial hardware delivers high-performance for a complete multi-family solution that meets or exceeds industry standards. Our commercial hardware products are designed for use in moderate to high traffic areas, providing reliability, durability, and style throughout your project.

STREAMLINED KEYED COORDINATION

The Empress lever is available to order with an optional matching black keyway for complete coordination throughout commercial and residential spaces in multi-family projects.

EASY & HASSLE-FREE INSTALLATION

Commercial levers come with ASA strike and 2 3/4" backset. All Taymor commercial products have been sized to fit standard door preparation, eliminating need for additional steps during installation.
